Coaxial Adapter 6 1/8" EIA male - 4 1/2" EIA male

 412eiam-318eiam.jpg Coaxial Adapter, 6 1/8" EIA male / 4 1/2" EIA male

Technical Features

STRUCTURE

Product Type	Coaxial Adapter
Interface A	6 1/8" EIA male
Center Contact Material A	copper-alloy, silver plated
Outer Contact Material A	copper-alloy, silver plated
Interface B	4 1/2" EIA male
Center Contact Material B	Copper-alloy, silver plated
Outer Contact Material B	Copper-alloy, silver plated
Body Material	Copper-alloy
Dielectric Material	PTFE

MECHANICAL SPECIFICATIONS

Diameter	206.4mm (8.126in)
Length	40mm (1.575in)
Weight	6.28kg (13.85lb)

ELECTRICAL SPECIFICATIONS

VSWR	0-860 MHz: 1.02 (40.09)
------	-------------------------

TESTING AND ENVIRONMENTAL

Sealing Class	IP68, connected
---------------	-----------------

NOTES

Scope of supply includes O-rings and screw set made of stainless steel.
