

**FTOOL-E400618**

Flaring tool for Heliflex cable HCA 400-50 to 618-50

The flanging tool consists of a basic tool and an additional insert (DIE).

Depending on the cable size the basic flanging tool must be ordered together with an insert.

Features / Benefits

RFS supplies trimming tools for fast, correct stripping of air dielectric cables with corrugated outer connectors.

These tools can be used in the factory or in the field to reduce the assembly time.
