

**TUBE-02-050M**  
Polyethylene Tube

Polyethylene Tube 10 x 8 mm

Innerdiameter: 8 mm

Wallthickness: 1 mm

Length: 50 m

Colour: black

Bending radius: min. 40 mm

Suitable with dehydrators: GOBI77A and GIBSONXF4

**Features / Benefits**

- extreme flexible
- easy in installation

**Technical Features**

**MECHANICAL SPECIFICATIONS**

|          |                     |
|----------|---------------------|
